**ATTENDANCE**

Members Present: Bob Cowan, Len Pacheco, and Phil Micciche  
Absent: Marico Sayoc  
Staff Present: Sandy Baily, Associate Planner

**ITEM 1:      2 BRICKWAY COURT**

The Committee considered a request to remove a pre-1941 single family residence from the Town's Historic Resources Inventory. Micciche moved to remove the structure from the Inventory based on the following findings:

1.      The building is not associated with any events that have made a significant contribution to the Town.
2.      No significant persons are associated with the site.
3.      There are no distinctive characteristics of type, period or method of construction or representation of work of a master. Any historic architectural significance the structure may have had is gone due to the additions and modifications.
4.      Does not yield information important to the Town's history.

Pacheco seconded, motion passed unanimously. Appeal rights were cited.

**ITEM 2:      OTHER BUSINESS**

Due to the expected slow down on the number of applications before the Committee, Cowan discussed projects the Committee could start up again which included reviewing synthetic building materials and updating the contributor list in the historic districts. The Committee agreed to start working on these items and Cowan will work with staff to proceed.

**ITEM 3:      STATUS OF PREVIOUS APPLICATIONS**

No applications to discuss.
